- 41. **Glassy body** Cuerpo Vítreo
- 42. **Straight Top muscle** Músculo Recto Superior

## GESCHICHTE

1978 gründete Jobst von Dewitz zusammen mit seiner Frau Sybille die Firma DEWIMED, die sich auf den Vertrieb von medizinischen Produkten spezialisiert hat, um den Gesundheitssektor mit medizinischen Produkten zu beliefern. Darüber hinaus müssen diese Produkte eine überdurchschnittlich hohe Qualität aufweisen, um den Anforderungen des Arztes zu entsprechen. Von Anfang an wurde eine sehr enge Beziehung zwischen Ärzten, Krankenhäusern, Lieferanten und Herstellern aufgebaut, um den hohen Ansprüchen der Medizintechnik gerecht zu werden.

Inzwischen hat sich die DEWIMED zu einem der wichtigsten Lieferanten im Bereich des Medizintechnikors Privat sowie auf Regierungsebene entwickelt.

## HÄNDLERNETZ

DEWIMED verfügt über ein flächendeckendes Händlernetz in Mexiko, das neue Maßstäbe im Bereich Medizintechnik von Mexiko setzt. Um das Tätigkeitsfeld auszuweiten, wurde 1993 die Firma Dewimed Medizintechnik GmbH in Tuttlingen, Deutschland, gegründet. Fort an vertreibt Dewimed Deutschland die hochwertigen Produkte weltweit, die allen üblichen und gängigen Normen und Standards für Medizinprodukte entsprechen.

## INTEGRIERTE LÖSUNGEN

DEWIMED wächst Jahr für Jahr dank der Vielfalt von Produkten ebenso wie durch den Einsatz aller Mitarbeiter. Dies ermöglicht eine Form von integrierten Lösungen, die sich aus Training von Fachpersonal, Reparaturstellen, Installations-service und Wiederaufbereitung von Produkten zusammensetzen.

Heutzutage ist die DEWIMED Gruppe durch Ihre außerordentlich hohe Qualität auf dem Medizintechniksektor, sowie dem breiten Produktportfolio weltweit bekannt und angesehen.

## PRODUKTION

Zwei Produktionsstandorte in Deutschland und Mexiko produzieren Instrumente für den zahnmedizinischen sowie Medizintechniksektor in außerordentlich hoher und gewohnter Deutscher Qualität. Der Betrieb in Mexiko wurde komplett modernisiert um dort ebenso den hohen Qualitätsansprüchen gerecht zu werden. Fachpersonal in Deutschland sorgt für die Herstellung der Spezialprodukte in gewohnter "Made in Germany" Qualität.

## HISTORY

DEWIMED has been founded in 1978 by Jobst von Dewitz and his wife Sybille as a trading and distribution company specialized in medical equipment. DEWIMED is to serve the health sector with medical products of superior quality to meet the nowadays requirements and expectations of medical professionals.

This is why we have established close relationships with both doctors, medical staff, hospitals, suppliers and manufacturers from the very first beginning.

In the meantime, DEWIMED S. A. has become an important partner both in the private and public medical sector.

## DISTRIBUTION NETWORK

DEWIMED meanwhile has established as one of the most efficient distribution networks in the Mexican Republic, applying new concepts of sales, marketing and service. To transfer this concept of success to the rest of the world, DEWIMED Medizintechnik GmbH Tuttlingen has been founded in 1993. From then on DEWIMED has been distributing superior quality products that meet all the actual norms and standards worldwide.

## INTEGRAL SOLUTIONS

Thanks to the diversity of products and to the dedicated staff, DEWIMED has been able to grow every year. This has led to integrated solutions like service and repair stations, commissioning services and reprocessing of medical products, all implemented by skilled and qualified experts.

Today, the DEWIMED group is worldwide known and reputable due to its wide range of medical products of superior quality.

## PRODUCTION

DEWIMED is manufacturing instruments at our own production facilities, one in Germany and one in Mexico, in extraordinary high German quality our clients are used to. Our Mexican facilities have been completely modernized and set up in a way that we always meet latest standards and the quality demands of our clients.

Highly qualified experts in Germany arrange for special products to be manufactured in "Made in Germany" quality.

## TRAYECTORIA

Jobst von Dewitz y su esposa Sybille fundaron en 1978 la distribuidora de equipo e instrumental en el campo de la medicina técnica. Su objetivo es, proveer con equipo médico de alta calidad y especialidad, así como con soluciones integrales al sector salud. Es por esto que desde un principio se crearon asociaciones estratégicas tanto con médicos y hospitales, como con fabricantes y proveedores calificados.

Gracias a esto y las políticas de servicio DEWIMED se ha desarrollado exitosamente para convertirse en un prestigioso proveedor en el campo del sector salud, tanto para la iniciativa privada como para el gobierno.

## RED DE DISTRIBUCIÓN

DEWIMED ha logrado crear una eficaz red de distribución, aplicando un nuevo concepto de ventas y distribución para toda la República Mexicana. Para ampliar su campo de acción a nivel global, en 1993 funda la empresa DEWIMED Medizintechnik GmbH en Tuttlingen, Alemania. Esta empresa se dedica a la comercialización de los productos fabricados tanto en México como en Alemania a nivel mundial, cumpliendo con las exigencias de la norma ISO 9001.

## SOLUCIONES INTEGRALES

DEWIMED crece año tras año gracias a la variedad de productos de marcas prestigiosas así como al impulso de sus colaboradores. De esta forma es posible ofrecer soluciones integrales o parciales con servicios de asesoría técnica, cursos de capacitación, instalación de equipo, reparaciones y rehabilitación de los diversos aparatos e instrumentos médicos.

Actualmente DEWIMED se ha consolidado como un líder dentro del campo de especialidades médicas y se le identifica como sinónimo de la más alta calidad.

## PLANTAS DE PRODUCCIÓN

DEWIMED fabrica instrumentos en nuestras propias instalaciones de producción, una en Alemania y otra en México, en la extraordinaria alta calidad alemana que nuestros clientes están acostumbrados. Nuestras instalaciones mexicanas han sido completamente modernizadas e instaladas en un camino que siempre encontramos últimas normas y las demandas de calidad de nuestros clientes.

Expertos sumamente calificados en Alemania piden que productos especiales sean fabricados con la calidad "Hecho en Alemania".

Deutschland Neueröffnung Oktober - Germany, Opening October - Alemania, Inaugurado Octubre 2009

Der **Dewimed Ophthalmologiekatalog** ist je nach Fachdisziplin in Kapitel unterteilt. Zur schnellen Produktfindung sind auf den letzten Seiten ein alphabetisches und ein numerisches Verzeichnis vorzufinden. Die **Dewimed** Produkte sind wie folgt dargestellt:

**Produktname**  
A) Product name  
Nombre del producto

**Artikelnummern**  
B) Item numbers  
Números de artículos

**Maße**  
C) Sizes  
Medidas

**Beschreibung Instrument**  
D) Instrument description

1.5 mm, 25 gauge

**Kanülenmesser, gerade**

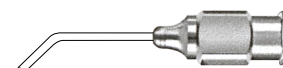

Knife cannula, straight

Cánula bisturí, recta

**KRATZ-ZIEGLER**

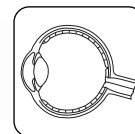

23.433.39 S

21 gauge

**Injektionskanüle, abgewinkelt**

Injection cannula, angled

Cánula para inyección, angulada

## SIMCOE

23.433.43 S

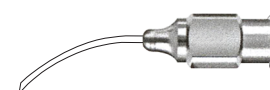

### Vorderkammerkanüle, gebogen

Anterior chamber receiving needle, curved

Cánula para cámara anterior, curva

## BANGERTER

23.433.45 S

### Retrobulbäre Kanüle, gebogen

Retrobulbar cannula, curved

Cánula retrobulbar, curva

## DEWIMED

23.433.50 S 40 mm, 0.60 x 0.40 mm

23.433.52 S 60 mm, 0.60 x 0.60 mm

### Retrobulbäre Kanüle, gerade

Retrobulbar cannula, straight

Cánula retrobulbar, recta

## SHEPARD

23.433.60 S

### Spülkanüle für radiale Keratotomie

Radial keratotomy incision irrigating cannula

Cánula para irrigación para queratotomía radial

## McINTYRE

23.433.70 S

10 cm

### Infusionsgriff, Teflon

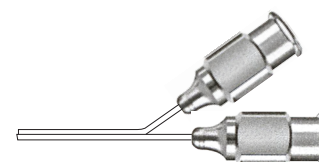

Infusion handle, teflon

Mango para irrigación, teflón

## GILLS

23.434.02 S

25/23 gauge

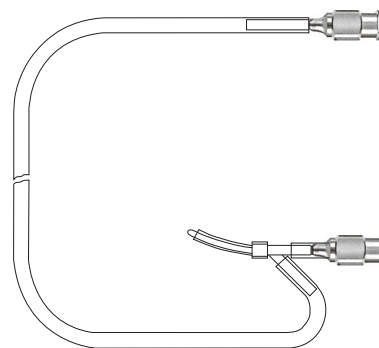

### Saug- und Spüldoppelkanüle, gerade

Double-barreled irrigation / aspiration cannula, straight

Cánula para irrigación y aspiración, recta

**FRIEDBURG**

23.434.10

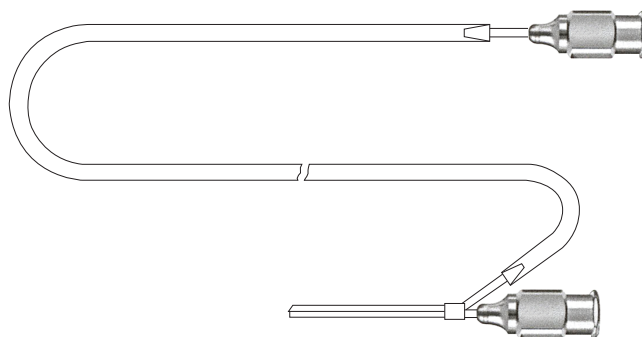

**Saug- und Spülkanüle**

Irrigation / aspiration cannula

Cánula para irrigación y aspiración

**GILLS-WELSH**

23.434.15

**Saug- und Spüldoppelkanüle**

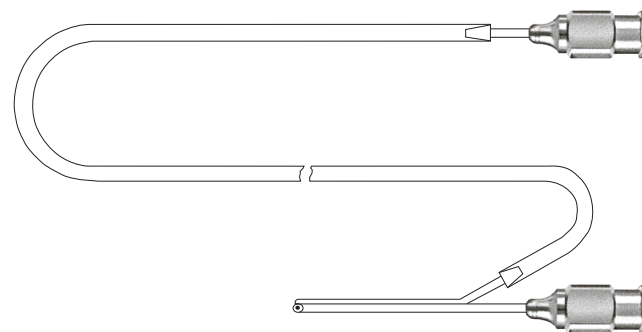

Double-barreled irrigation / aspiration cannula

Cánula doble para irrigación y aspiración

**O'GAWA**

23.434.20

0.90 x 32 mm, 20 gauge

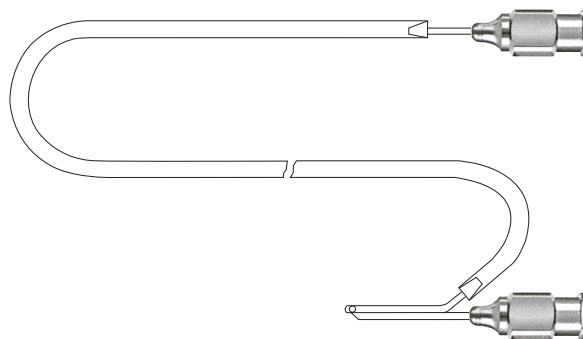

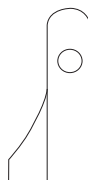

**Saug- und Spülkanüle**

Irrigation / aspiration cannula

Cánula para irrigación y aspiración

**SIMCOE**

23.434.25

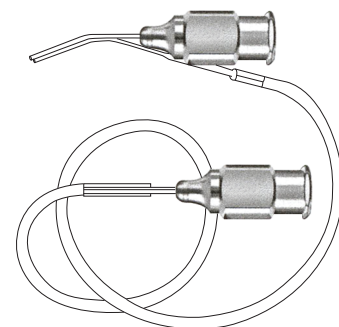

**Saug- und Spülkanüle**

Irrigation / aspiration cannula

Cánula para irrigación y aspiración

**GILLS**

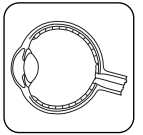

23.434.40

**Saug- und Spüldoppelkanüle, abgewinkelt**

Double-barreled irrigation / aspiration cannula

Cánula para irrigación y aspiración, angulada

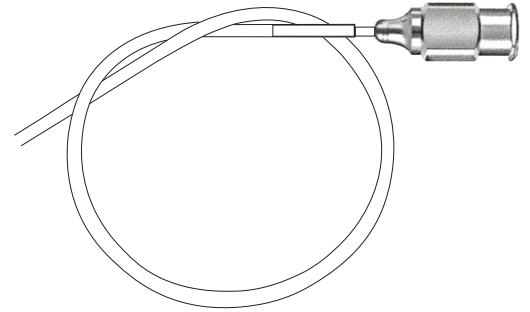

## HESLIN

**23.434.45**  
**Silikonkanüle und Adapter**  
Silicon tubing and adapter  
Cánula de silicón y adaptador

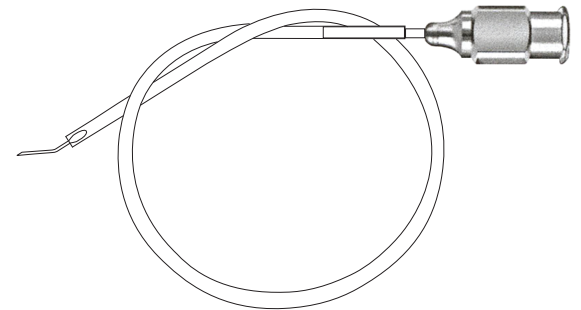

**23.434.50**  
**Silikonkanüle, allein**  
Silicon tubing only  
Cánula de silicón suelta (30.5 cm)

**Für Saug- und Spülkanülen**  
For irrigation-aspiration cannulas  
Para cánulas de irrigación y aspiración

## HESLIN

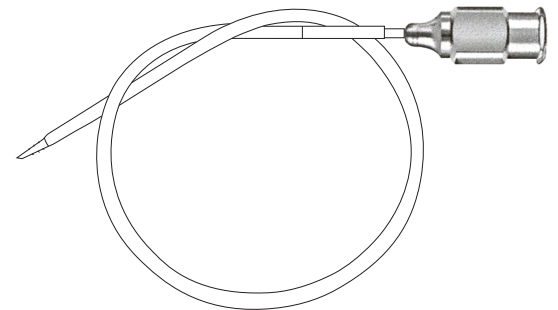

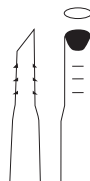

**23.434.52**  
22 gauge

**Infusionskanüle**  
Infusion cannula  
Cánula para infusiones

## BRIERLEY

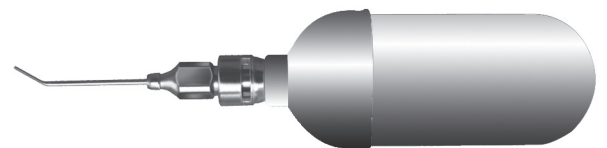

**23.434.55**  
20 gauge

**Augenkanüle zur Kammererhaltung**  
Eye cannula for chamber maintaining  
Cánula oftálmica para mantener la cámara

## BISHOP-HARMON

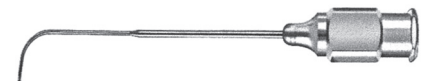

**23.434.60** **Beinhaltet** Includes Incluye:  
**23.434.61** **Silikongebläse** Silicone bulb Pera de silicona  
**23.434.62** **Injektionsadapter** Adapter for irrigators Adaptador para irrigación  
**23.434.63** **19 Irrigationskanüle** Irrigating cannula Cánula de irrigación  
**23.434.64** **21 Irrigationskanüle** Irrigating cannula Cánula de irrigación

**Vorderkammerkanüle**  
Anterior chamber cannula  
Cánula para cámara anterior

## LAGRIMAL

**23.435.02** **S gerade** straight recta  
**23.435.03** **S gebogen** curved curva  
23 gauge

**Augenkanüle biegsam**  
Eye cannula malleable  
Cánula oftálmica maleable

## SHAHINIAN
